MIGRACIONS FORÇADES

La Coordinadora d'ONGD i altres Moviments Solidaris de Lleida i Humoràlia organitzen la Mostra d'Humor Gràfic **NÒMADES: Migracions Forçades**.

La mostra té per objectiu fer una acció de sensibilització dirigida a la societat per donar a conèixer i entendre les causes que provoquen els processos migratoris i remarcar la importància del *Dret a Migrar* recollit a la *Carta dels Drets Emergents*. L'art gràfic és un gènere periodístic visual de denúncia i de compromís cívic que pretén contribuir a la reflexió, en aquest cas sobre les causes que provoquen les migracions forçades.
